

Subject: Invitation to Attend the 2026 Asian Pacific Plastic Surgery & Craniofacial Congress (APC2026)

Dear Dean / Hospital Director / Head of Department / Concerned Colleagues,

On behalf of five leading professional organizations—the Asian Pacific Craniofacial Association (APCA), the Asian Pacific Cleft Lip-Palate & Craniofacial Congress (APCLPC), the Thai Cleft Lip-Palate & Craniofacial Association (TCCA), the Society of Plastic and Reconstructive Surgeons of Thailand (ThPRS), and the Society of Aesthetic Plastic Surgeons of Thailand (ThSAPS)—we are pleased to invite your institution and personnel to participate in the **2026 Asian Pacific Plastic Surgery & Craniofacial Congress (APC2026)**.

The congress will be held from **28–30 October 2026 at Centara Grand at Central Plaza Ladprao Bangkok**, Thailand. The meeting aims to provide an international platform for the dissemination of knowledge, exchange of professional experience, and presentation of recent advances in plastic, reconstructive, aesthetic, and craniofacial surgery. Particular emphasis will be placed on the management of cleft lip and palate and other craniofacial anomalies, with the ultimate goal of advancing patient care and promoting the highest standards of patient safety.

The scientific program will feature distinguished faculty members and renowned experts from Thailand and around the world. Participants will have the opportunity to learn from lectures, panel discussions, scientific presentations, and hands-on educational sessions covering contemporary surgical techniques, multidisciplinary treatment approaches, and emerging technologies in plastic and craniofacial surgery. The congress will serve as an excellent forum for professional development, academic collaboration, and international networking.

In this regard, we respectfully request your support in encouraging and approving physicians, nurses, allied health professionals, trainees, and other relevant personnel under your supervision to attend the congress and submit scientific abstracts for presentation. We believe that participation in APC2026 will contribute significantly to their professional growth and enhance the quality of patient care within their respective institutions.

Further information regarding abstract submission, registration, and congress activities is available at **APC2026.org**

We would be honored to welcome your colleagues to APC2026 and sincerely appreciate your support and cooperation. Thank you for your consideration.

Yours sincerely,

Associate Professor Chalermpong Chatdokmaiprai, MD

Congress President

2026 Asian Pacific Plastic Surgery & Craniofacial Congress (APC2026)
